

Dikchu Dam (Testa V Dam) is situated across the Teesta River (length of the river from the Bangladesh border to its tentative origin is 257.9 kilometres)

Established: The hydropower project was commissioned in 2008

Lat: 27°23'13.71"N

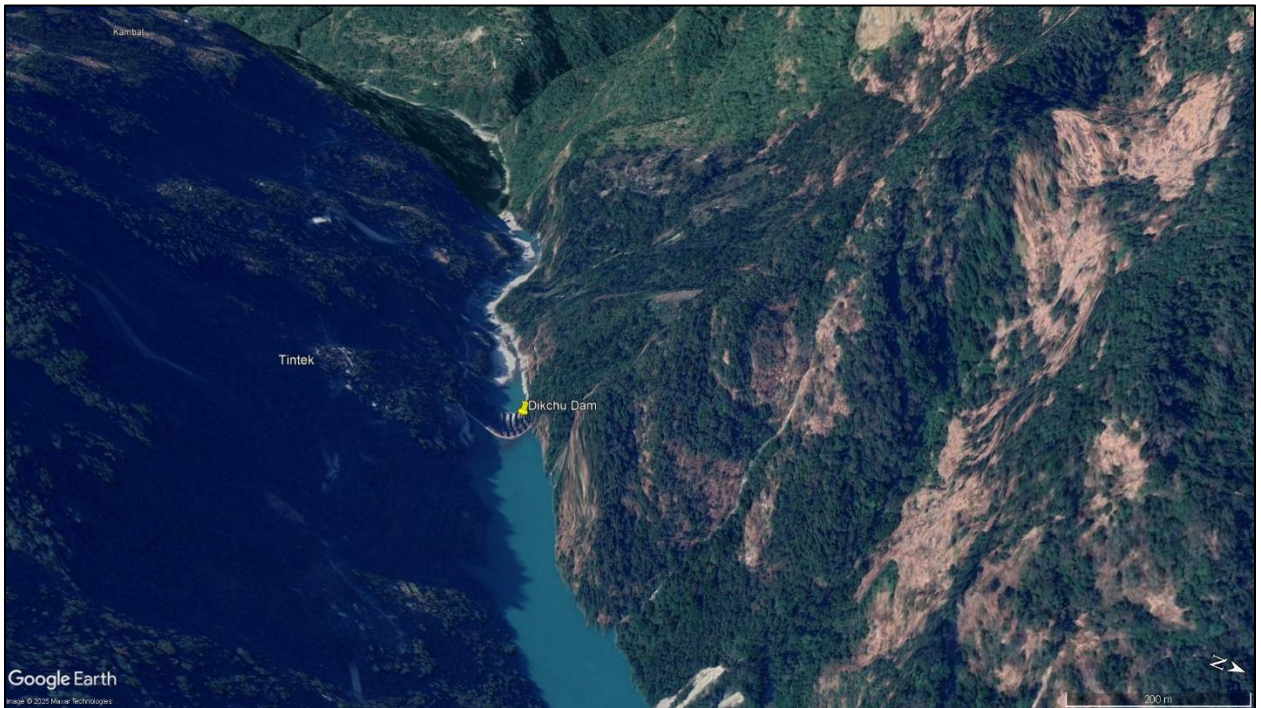

Long: 88°30'11.74"E

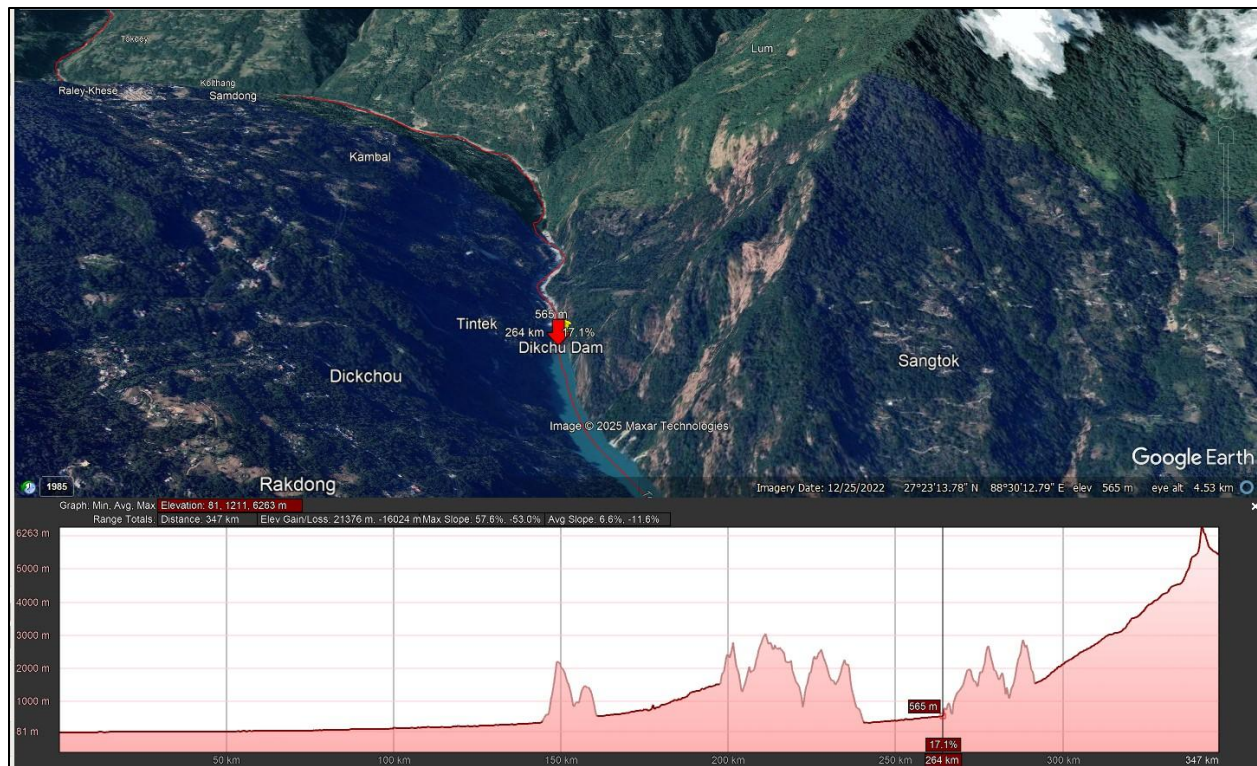

Length of the Dam (metres): 171

Elevation (metres): 562

Length from Bangladesh border (kilometres): 126.8

Note: The broken appearance of the elevation profile results from combining multiple line segments with differing directions and elevation ranges, rather than from any real discontinuity in the terrain.
